

# KONRAD KANTON

DJ | PRODUCER | GUITARIST

Konrad Kanton is a talented and upcoming DJ and Producer from Poland who currently resides in Germany. Although he started his musical journey playing guitar in several rock and metal bands, his focus gradually shifted to electronic music.

His music is a unique blend of powerful, fast-paced beats and melodic elements that make it stand out in the crowded electronic music landscape. Konrad's tracks have been played all over the world by artists like Trym, Deborah de Luca, and Alignment, and have amassed over 100,000 plays on popular streaming platforms like Spotify and Soundcloud.

In 2021, Konrad won a producer competition that resulted in a collaboration track called "Onno" with the Techno legends Pan-Pot, which was released on their label, Second State.
